## OVERVIEW

Centrally located on the Long Ridge Road corridor that connects the Merritt Parkway, I-95, and CBD District. Long Ridge Health & Science has strategically been rebranded for medical, biotech, pharmaceutical and wellness center users.

Long Ridge Health & Science now features new mechanical systems, elevators, ADA bathrooms, a redesigned entry, and ample parking.

## FEATURES

- Excellent visibility
- Convenient access to the Merritt Parkway, I-95, Stamford Train Station, and CBD District
- Close proximity to restaurants and shopping
- Large efficient floor plans
- Ample parking
- Campus-like setting
- Prominent branding available
- Part of a corporate campus with Stamford Hospital and Yale-New Haven Health
- Expansion potential with an additional 15.0 acres immediately adjacent to the south
